We regret that we are unable to accommodate customers with nut allergy / intolerance. This is because all our dishes may contain traces of nut due to the spices we use from various suppliers around the world where there may not be strict nut handling procedures. We are therefore unable to advise that any dish is completely nut free. There could be accidental cross-contamination from cooking oils, utensils or nut particles since we do not operate in a surgical environment. We are therefore unable to accept liability as a result of this.
